

July 2025 Prayer Requests

- **Praise** God for a smooth transition to FCA Prosper. Pray that we will maximize this facility for the glory of God.
- **Praise** for good registration numbers for our VBS this month. Pray that God will use the week powerfully in the lives of the kids who attend.
- **Praise** for the addition of Louis Azuma to our team as the Director of Student Ministries. Pray for fruitful ministry for him as he serves our junior high and high school students.
- **Pray** for our students who will be attending our Revival summer camp. Pray for the messages on God's holiness and for the small groups afterwards to be impactful and transformative.
- **Pray** for our 4th of July outreach in Prosper to go well as we seek to serve our community and to invite people to our new location.
- **Pray** for our summer series in the minor prophets to continue to bear fruit throughout the remainder of July.
- **Pray** for God to continue to raise up leaders and to provide the volunteers we need to continue to be effective in serving our growing body.
- **Pray** for our shepherds as they pray, make decisions, and seek the Lord's will for the shepherding of the body here at Compass.
