Discussion Questions

1. Read **Ephesians 4:11**. According to this passage, who is to be involved in "the work of ministry" and "building up the body of Christ"? Why would it not be healthy or effective for a church to only look to the pastoral staff for these things?
2. Read **1 Corinthians 12:14-18**. How would you encourage someone who feels like there's no opportunity to use their spiritual gift in the church, so they aren't serving at all?
3. Read **Colossians 3:23-24**. How does this passage inform our perspective on serving the local church? What motivation does it provide for us to be faithful and diligent in our service?
4. Discuss some of the joys that you have experienced in serving the local church. What are some of the temporal rewards we might lose out on by not actively serving?
