## Discussion Questions

*Community Groups are a great way to get to know your church family. Most important, they're a helpful way to apply the biblical truths taught each week. Please visit [compassntx.org](http://compassntx.org) to join a group near you.*

1. Read **Hebrews 4:14-16** and **Hebrews 7:25**. Sometimes, we can get locked into thinking only of the cross when considering the worth of Jesus. What is he doing right now for you? What is the danger of thinking only of the cross in assessing the value of Jesus, and how should contemplating his present work for us cause us to appreciate him even more?

2. Read **Luke 14:26**. What does this mean? Does Jesus really want us to hate people, our own loved ones? Would that agree with the rest of what we are taught in the Bible? If not, what might Jesus be implying about the degree and nature of our love for him compared to our love for others? How could someone tell that your love for Christ is that strong if they were to watch your life for a week?

3. Read **Luke 14:33**. What does it look like for you to renounce everything to follow Christ in your current stage of life?

4. What are some things aside from the spiritual disciplines that stir your affections for Christ? How do those things make you love Jesus more?
