## Discussion Questions

*Community Groups are a great way to get to know your church family. Most important, they're a helpful way to apply the biblical truths taught each week. Please visit [compassntx.org](http://compassntx.org) to join a group near you.*

1. Read **Ephesians 4:11** and **2 Timothy 4:5**. How would you respond to someone who points to these passages as proof that not all Christians need to evangelize since it seems to be a gift given to some but not all? For those who find it intimidating, what are some tips or tricks you've found helpful to get into evangelistic conversations with people?

2. Read **Romans 1:16-17**. Why is the gospel the power of God for salvation? How does this passage encourage you as you think about people you want to see saved in your life?

3. Read **2 Corinthians 4:2**. What are some ways you are tempted to "tamper with" the gospel when you think about sharing your faith with the unsaved people in your life? Why are we tempted this way?

4. Read **1 Timothy 1:15-17**. How is your testimony an example of God displaying his perfect patience in you? If everyone in the group were to give their testimony think of how different all of them would be excepting the actual expression of faith and repentance. In light of this passage, why do you think our stories might vary so much?
