Discussion Questions

Community Groups are a great way to get to know your church family. Most important, they're a helpful way to apply the biblical truths taught each week. Please visit compassntx.org to join a group near you.

1. Read **1 John 4:8-9**. In thinking of Jesus as the greatest self-expression of the Father, how do we see the Father's love for us in the incarnation?
2. Read **John 8:58**. What was Jesus communicating to the Jews in this verse? Why is this doctrine so crucial for your salvation? Why can't you give ground on this to the cults when they come knocking on your door?
3. Read **John 1:5**. What does it mean that the darkness has not overcome the light? Does it feel that way to you presently as you consider our current cultural landscape? What can you do to push back some of the darkness that we find so present all around us?
4. As we launch this study of the Gospel of John, what are you most excited about? What questions about this book or about Jesus do you have that you hope to have answered through this sermon series?
