## Discussion Questions

*Community Groups are a great way to get to know your church family. Most important, they're a helpful way to apply the biblical truths taught each week. Please visit [compassntx.org](http://compassntx.org) to join a group near you.*

1. Read **Romans 7:7**. How does this verse support the idea that the law was actually an expression of God's grace?
2. Read **Romans 3:19-20**. What are some ways you are tempted to take shelter in the facade of Castle Law rather than in the stronghold of Christ's righteousness?
3. Read **Titus 2:11-14**. What does this passage tell us about the purpose of God's grace in our lives presently?
4. Read **Philippians 2:12-13** and **Ephesians 2:8-9**. Discuss the two dangers of works-based salvation and easy-believism and how these passages help us to find that middle ground.
