Discussion Questions

Community Groups meet throughout the week and play a crucial role in our response to the preaching of the word. These groups gather to discuss the following questions as we seek to apply the sermon in community with one another. Please visit compassntx.org to join a small group near you.

1. Life gets busy. I think all of us would agree with that. Yet, we should desire to press on to know the Lord more and more each day as Hosea 6:3 commends. How can you work this pursuit of the Lord into your daily routine? How can we get more creative in redeeming more of our day to make sure our interest in God is not waning?

2. How would you describe the difference between joy and happiness, if there is one at all? Read 1 Peter 1:3-9. How would you encourage a brother or sister in Christ who struggles to feel this joy? They understand the gospel and have repented and believed, but there is a disconnect between that belief and feeling joy when life can be difficult.

3. What do you think heaven will be like? What do you think we will be doing? Read Revelation 21:22-26 and describe the scene there and its implications for what we might be doing in eternity.

4. Christians view the world differently in light of our relationship with Christ. This is part of our identity as a new creation in Christ (2 Cor 5:17). How have you found this to be true in your day-to-day experiences with what otherwise might be viewed as mundane tasks? What about your relationship with Jesus has changed how you approach your life, or view the world around you, compared to people you know who aren't believers?
