3. _____

Discussion Questions

Community Groups meet throughout the week and play a crucial role in our response to the preaching of the word. These groups gather to discuss the following questions as we seek to apply the sermon in community with one another. Please visit compassntx.org to join a small group near you.

1. Read **Romans 8:29-30** and **1 Timothy 2:4**. How can we attempt to reconcile the concepts of God's sovereignty over those who will be saved and man's responsibility to call on him for salvation? Though apparently contradictory, Scripture teaches both concepts. How should this impact our evangelism and heart for the lost?

2. Read **2 Corinthians 5:20**. It is discouraging to have someone we love reject the gospel. What encouragement can you offer to someone facing this trial to continue to pursue them even if they have not responded after multiple attempts? When, if ever, should we stop pursuing them with the gospel?

3. Read **2 Peter 1:3-8**. According to this passage, what qualities should we see increasing in our lives more and more? How might we go about pursuing more of these qualities in our lives? What is the danger of seeking these qualities from the wrong source?

4. Who are three people/families in your life who need to hear the gospel from you?
