## Discussion Questions

*Community Groups meet throughout the week and play a crucial role in our response to the preaching of the word. These groups gather to discuss the following questions as we seek to apply the sermon in community with one another. Please visit [compassntx.org](http://compassntx.org) to join a small group near you.*

1. Read **Deuteronomy 6:4-5** and **Matthew 22:37**. Some parents are saved later in life after making decisions and mistakes as parents they now regret. How might you counsel them to work through those regrets and to move forward in their new identity in Christ?

2. Read **Deuteronomy 6:7** and **Ephesians 6:4**. What are some of the biggest challenges working against us in today's culture as we seek to teach our children diligently?

3. Read **Titus 2:1-8**. How do we see a picture of the local church working to raise up the next generations in this passage? What are some ways we have an opportunity to put this into practice at Compass?

4. Read **Exodus 12:26-27** and **Joshua 4:5-7**. What are some "monumental" moments of God's faithfulness in your life that you should be diligent in telling your children (or future children) about? How might you use visual cues or reminders in your house to call to mind these acts of God's faithfulness on a regular basis?
