## Discussion Questions

*Community Groups meet throughout the week and play a crucial role in our response to the preaching of the word. These groups gather to discuss the following questions as we seek to apply the sermon in community with one another. Please visit [compassntx.org](http://compassntx.org) to join a small group near you.*

1. Read **Psalm 51:12**. What are some of the reasons we drift from “*the joy of our salvation*”? What are some ways we can be intentional to renew or cultivate this joy on a daily basis?

2. Read **John 4:35-36**. What are the white fields that God has provided for you? What does sowing and harvesting look like for you in those fields? Who are some specific names we can be praying for?

3. Read this article from [crossexamined.org](https://crossexamined.org). (<https://crossexamined.org/how-we-got-our-bible-manuscript-tradition/>) What is something you learned from the article? How did this article encourage your confidence in the Bible? How does that help you in trusting the Word to transform lives?

4. With all of the excitement of the launch of our church, how can you ensure that we maintain our evangelistic fervor after the newness wears off?
