Discussion Questions

Community Groups meet throughout the week and play a crucial role in our response to the preaching of the word. These groups gather to discuss the following questions as we seek to apply the sermon in community with one another. Please visit compassntx.org to join a small group near you.

1. Read **Philippians 1:3-5** and **Hebrews 10:24**. Can you give an example of someone in your life that you thank God for because of their impact on your life spiritually? What proved to be so impactful about that relationship that makes it stand out in your mind? How are you seeking to follow that example in the lives of others?

2. Read **Philippians 1:7-8** and **Philippians 4:1**. How has serving alongside others in ministry deepened your relationships with them? What do people sacrifice by choosing not to participate in this essential area of belonging to a church?

3. Read **Philippians 1:6**. In the final point, PPJ talked about the potential in our church. What excites you about the future of our church and the progression of the work God has already begun? What role do you see yourself playing in that work?
