Discussion Questions

Community Groups meet throughout the week and play a crucial role in our response to the preaching of the word. These groups gather to discuss the following questions as we seek to apply the sermon in community with one another. Please visit compassntx.org to join a small group near you.

1. Read **John 12:44-45**, **John 3:16**, and **Romans 5:6-8**. What do these passages convey about the Father's attitude and posture towards humanity? How does this challenge or affirm your personal perception of the Father?

2. As Christians, it's important that we know how to identify false gospels. One of the more prevalent false gospels in our culture is Moralistic Therapeutic Deism. Read the article linked to the QR code and discuss why this is a false gospel and a particular threat in our current context. What are some ways we might combat this false ideology as we find it in our family members, neighbors, coworkers, etc.?

3. Read **John 12:49-50** and **Matthew 28:18-20**. How is unbelief one of the greatest obstacles we must overcome in sharing the gospel with the lost?

4. You've all heard effective and ineffective gospel presentations. What are some of the hallmarks of an effective presentation of the gospel that we should be striving for in our own pursuit of the lost?
