Discussion Questions

Community Groups meet throughout the week and play a crucial role in our response to the preaching of the word. These groups gather to discuss the following questions as we seek to apply the sermon in community with one another. Please visit compassntx.org to join a small group near you.

1. In what ways are you tempted to “lose heart” in relation to the church? How does this passage help your perspective?

2. Think specifically of ministries you’re currently involved in or might be involved in. In light of these texts, what is the role of those ministries in the eternal plan of God?

3. How does this text challenge you to speak the gospel to those who do not believe?

4. How does this text motivate you to keep building churches here and around the world?
