Majoring in the Minors

Minor Prophets, Major Truths

JUNE 29, 2025

WELCOME!

Welcome to Compass Bible Church. It's great to have you join us!

This morning, we turn to one of the clearest voices in the Minor Prophets on what God truly desires: Micah. God answers the question so many still ask: What does the Lord require of me? But this is more than a checklist of duties; it's a portrait of the good life as God defines it. In a world filled with distorted visions of justice, fake appearances, and compartmentalized faith, Micah calls us to something better: to do justice, love kindness, and walk humbly with our God. In this message, we'll unpack this lesser-known book and discover that the good life isn't something we achieve, but something we live in response to God's saving love.
